

Design a Report

Practical No.: PL-300 Practical 6

Practical Title: Design a Report in Power BI Desktop

Prepared By: Vezinduna Mbekezeli Ndlovu

Date: 25/08/2026

Project Summary

I created two-page report of the Overview and Profit sheet. Made use of configuration of the visual fields and formatting the properties of the report for readability.

Objectives

Design a report	Configure visual fields and format properties
-----------------	---

Notes

1. Profit and Profit Margin were not in the Pricing folder
2. Formatting of values was different and the total also was different from the example
